The children are victims of cystic fibrosis — an incurable lung disease. To alleviate the pain doctors at Harbor General Hospital recommended a humidifier. None was available for home use.

Informed of this need, South Bay Tri Deltas have purchased with part of the proceeds from last summer's successful benefit a humidifier for the hospital to be loaned to needy children, according to Mrs. Edward B. Wilder, chapter president.

Mrs. Crown and her husband, associate professor of fine arts at USC, spent some time among the Navajo tribe in New Mexico.

All Tri Deltas in the area are invited to attend and may call Mrs. Van Camp.
